

Convenient Travel from and to Frankfurt Airport

To go from and to Frankfurt Airport we recommend using the high-speed ICE trains stopping at the long-distance train station at Frankfurt Airport and the main station in Mannheim (Mannheim Hbf). Trains are leaving from 6:00 a.m. to midnight on a regular basis and only take about 35 minutes.

Here you can search for trains in advance: http://www.bahn.de/p_en/view/index.shtml.

How to get where you want to go:

From Terminal 1 to the long-distance train station: Follow the signs to the long-distance trains. Be careful to go to the long-distance train station since there is also a regional train station. *Total walking time: approx. 10 minutes, excluding baggage claim.*

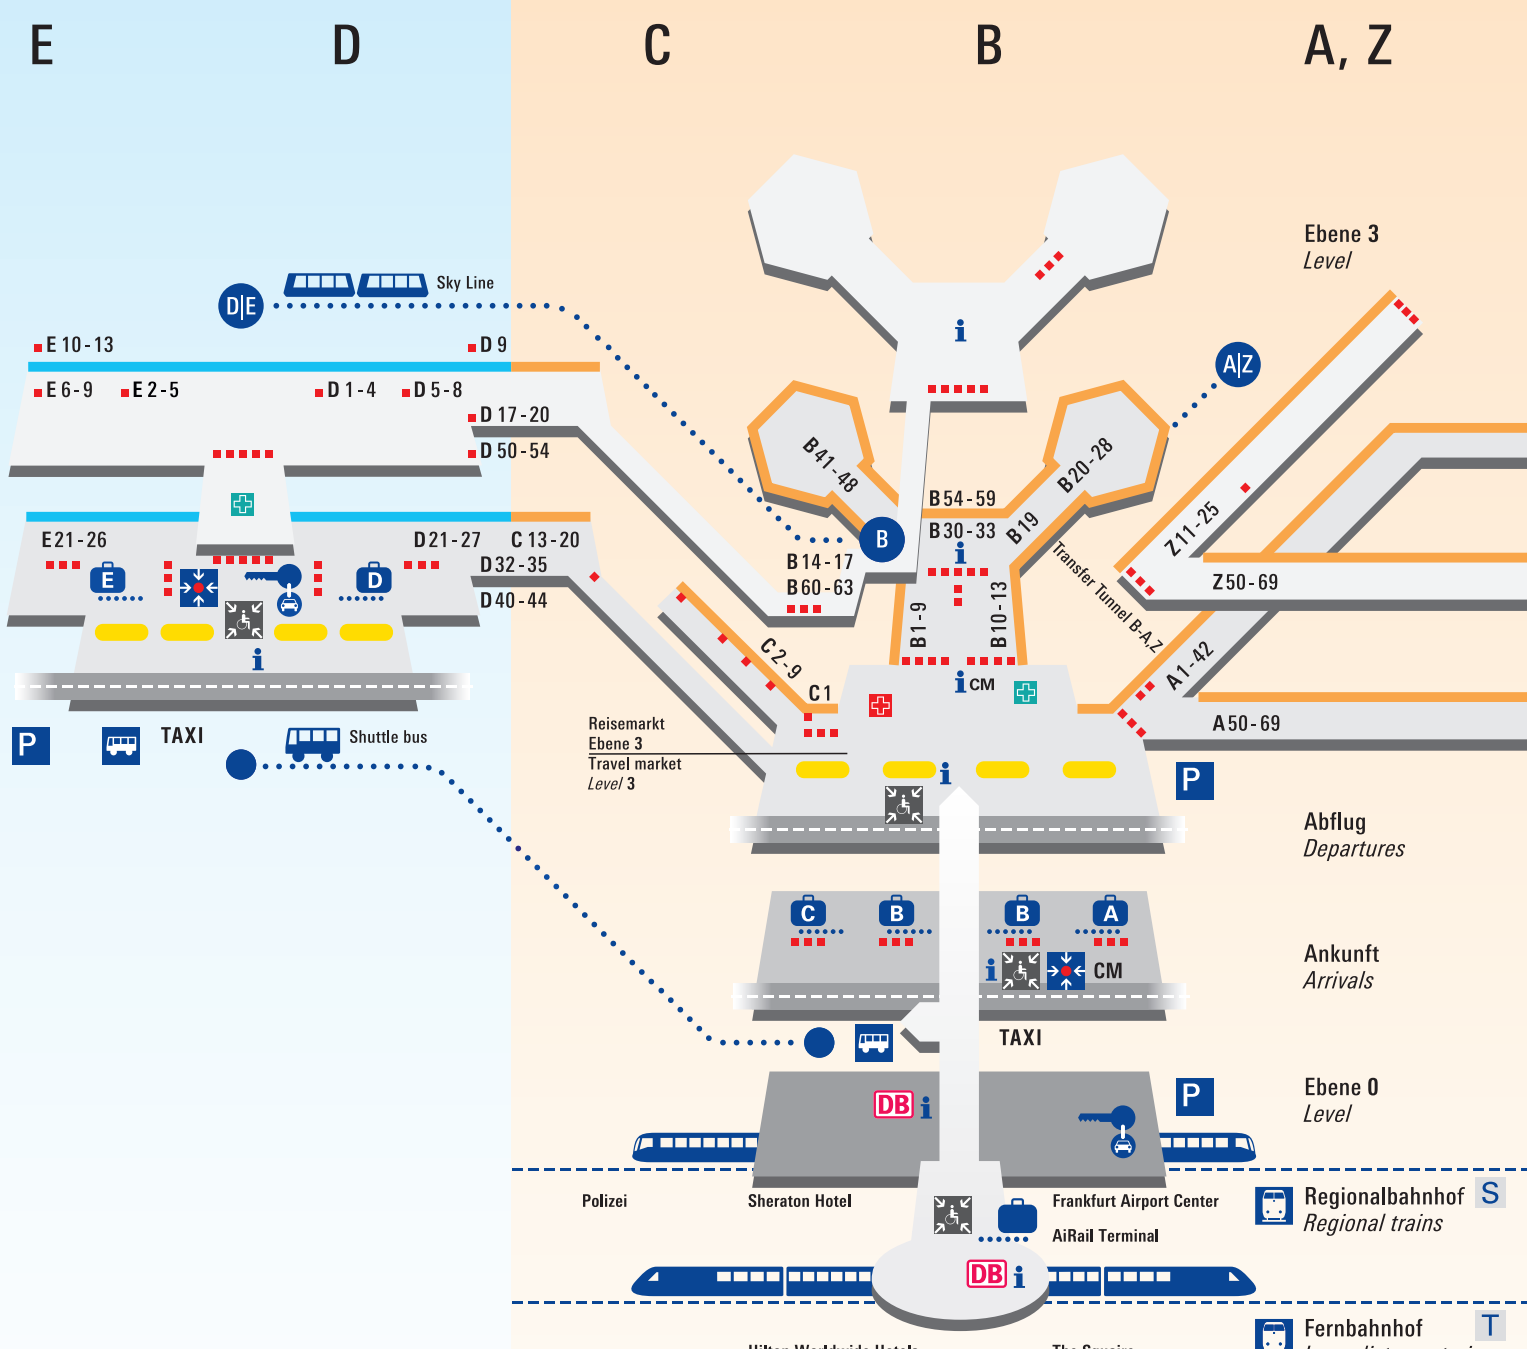

From Terminal 2 to the long-distance train station: Follow the signs to the long-distance trains leaving from Terminal 1. To get from Terminal 2 to Terminal 1 either board a shuttle bus in front of Terminal 2 or take the “Sky Line” people mover (follow the signs for Terminal 1 A/B/C/Z). Be careful to go to the long-distance train station since there is also a regional train station. *Total walking time: approx. 25 minutes, excluding baggage claim.*

From the long-distance train station to Terminal 1: Walk across the pedestrian bridge and follow the signs to Terminal 1 A/B/C/Z, *total walking time: approx. 10 minutes.*

From the long-distance train station to Terminal 2: Walk across the pedestrian bridge to Terminal 1. Then either board a shuttle bus in front of Concourse B Arrivals (Level 1) or take the “Sky Line” people mover from Concourse B Departures (follow the signs for Terminal 2 D/E), *total walking time: approx. 25 minutes.*
