

# DIRECTIONS FROM/TO ROME AIRPORTS

## From/to Rome FIUMICINO Airport

(<http://www.adr.it/web/aeroporti-di-roma-en-/pax-fco-fiumicino>)

### TRAIN

From Fiumicino Airport (also called “Leonardo da Vinci”) you can reach the centre of Rome quickly by train **with Trenitalia**. From the railway station, located in the airport, near the Arrivals and Departures terminals, you can reach the city centre with frequent connections:

- **Leonardo Express**, a non-stop service exclusively for airport passengers to/from Rome Termini railway station, leaving every 30 minutes (every 15 minutes at peak times) with a journey time of 32 minutes (costs about € 14,00), or
- **Regional FL1 trains** to/from other stations in Rome, including Rome Tiburtina, with departures every 15 minutes on weekdays and every 30 minutes on weekends and holidays.

To check the times, visit the Trenitalia web site: [www.trenitalia.com](http://www.trenitalia.com)

### TAXI

At the Terminal 1, 2 and 3 exits of Rome Fiumicino Airport, a **taxi service for the city of Rome** is available. The fare to downtown Rome (within “Aurelian Walls” – **NOTE: Bank of Italy and Hotel Kolbe are within the “Walls”**) is around 50 euro (including baggage, for a maximum of four passengers). For other destinations the cost will be displayed on the taximeter in the taxi, **to which the charge for baggage will be added**. It is advised to check the city/town the taxi is from (either Rome or Fiumicino) before boarding, given that the tariffs applied by taxis from Fiumicino are more expensive.

**PLEASE NOTE:** Taxis authorized by the [Municipality of Rome](#) and the [Municipality of Fiumicino](#) are white with a **“TAXI” sign on the roof** and a licence number on the doors, on the back and inside the vehicle. Any other vehicle at the airport exit could be driven by persons not in possession of a valid taxi or car hire permit and the tariff requested may be higher from that foreseen by the Municipality of Rome. It is therefore advised to be suspicious of people, inside the airport, who propose transport services towards the city.
