

INSEAD

The Business School
for the World®

Bon Appétit

This list has been selected over the years through participants' recommendations. The objective is to offer you a choice of different restaurants and bars during your stay here.

It is divided into two parts. The first part concerns restaurants in Fontainebleau which are accessible without a car. The second part covers restaurants up to 20 kilometres from Fontainebleau. Our front desk team will be able to advise you and assist you with your reservation.

As the list is largely based on participants' recommendations, and in order to keep it up-to-date and competitive, all ideas, comments and any new discoveries are welcome!

If you have any comments or suggestions, please contact:
