## **Travel To Studienzentrum**

### **Airports**

**Zurich** is the most convenient international airport, but **Geneva** is a possible alternative. Timetables for trains from both airports to Bern train station will be sent as soon as they are available. On arrival, you should take a train to *Bern train station*, from where you should take one of the buses provided by the local organizers.

**Bern airport** is closer to Gerzensee, although direct flights are only available from London, Brussels, Paris, Munich, Vienna and Amsterdam. Participants arriving at Bern should note that the flight touches down just outside Bern in a town called *Belp*. The local organizers will provide transport to the Studienzentrum from the railway station in Bern.

### **Transport provided by local organizers**

Buses will be provided from Bern train station **at 16.00 and 19.00** to Studienzentrum on Sunday 2 July; this being the day on which most participants arrive. You should assemble at the MEETING POINT, which is well signposted, where you will be met by the minibus driver. Please let us know which bus you intend to take. Buses may also be organized for the return journeys depending on demand. Interested parties will be contacted at a later stage.

### **Local Transport**

If it is not possible to arrive or depart on the dates specified it is possible to catch a train from Bern station to Wichtrach (takes approximately 20 minutes), and from there a bus to Gerzensee (takes 5 minutes). Summer bus and train timetables will be available on the Gerzensee Studienzentrum web site from the 1 June.

### **Taxis**

***Please note that should you wish to take a taxi from Bern to Studienzentrum, this will be at your own expense (approximately 60-70 Swiss Francs).***

### **Travel by car**

For those who wish to bring cars, ample parking space is available at the Centre.

## **Settlement of Accounts**

Before leaving Studienzentrum, participants must settle accounts for telephone calls, drinks and any other incidental expenses for themselves as well as for the accommodation of accompanying spouses and children. Studienzentrum will accept cash, personal cheques and major credit cards. If you do intend to pay by credit card, please check early in your stay that your card is acceptable; this will avoid potential embarrassment at the time of departure.

## **Reimbursement of Expenses**

Claim forms will be available at Gerzensee, so please be sure to collect one before you leave.

The basis on which expenses will be reimbursed is as follows:

Travel expenses for participants only will be reimbursed according to [CEPR's guidelines](#).

Travel for accompanying families is at their own expense.

Every effort will be made to accommodate spouses and children in Studienzentrum, and charges will be made for this on the terms set out above. Accounts must be settled with Studienzentrum before you leave.

Lunches and dinners will be available at Studienzentrum for all the participants (free of charge) and families (on payment of the appropriate charge).
