

GLOBALISATION AT A CROSS-ROADS

Co-organised by Banque de France, CEPR, the World Bank and University of Surrey

Date and Location:

Paris, 11-12 May 2023

Background and Objective:

Banque de France, CEPR, the World Bank and University of Surrey jointly organise a workshop to explore current developments in international trade and cross-border economic activity. We invite submissions of empirical and theoretical contributions that analyse the above and related topics with an emphasis on a policy perspective. It takes place at the Banque de France's Paris Office on two half-days, 11-12 May 2023.
